

(An Autonomous Institute of the Department of Biotechnology, Govt. of India)  
 NCR Biotech Science Cluster, 3<sup>rd</sup> Milestone, Faridabad – Gurgaon Expressway, P.O Box No. 04, Faridabad - 121001

**Recruitment Notice No. THS / RN /14/ 2015**

**Walk-in-Interview for Clinical Positions**

- a) Translational Health Science and Technology Institute (THSTI) is an autonomous Institute of the Department of Biotechnology under the Ministry of Science and Technology, Govt. of India. THSTI is developed as a part of the interdisciplinary NCR Biotech Science Cluster located at Faridabad. THSTI is designed as a dynamic, interactive organization with a mission to conduct innovative translational research and to develop research collaborations across disciplines and professions to translate concepts into tangible products to improve human health.
- b) THSTI has set up niche centres for research in areas relevant to planned translational work. They are: Vaccine and Infectious Disease Research Centre (VIDRC), Paediatric Biology Centre (PBC), Centre for Bio-design & Diagnostics (CBD), Drug Discovery Research Centre (DDRC), Centre for Human Microbial Ecology (CHME) and Policy Centre for Biomedical Research (PCBR). Clinical Development Service Agency (CDSA) and the National Biodesign Alliance (NBA) are THSTI's extramural centres.
- c) This recruitment is to fill up the vacancies of THSTI under PBC. PBC conducts hypothesis driven research on the biological basis of childhood health and diseases. The knowledge generated will be incorporated in THSTI institutional networks in developing diagnostic and therapeutic modalities. The interdisciplinary effort will need to knit together expertise from the fields of paediatrics, infectious disease, microbiology, immunology, cell and molecular biology, systems biology, imaging studies, clinical trials, biostatistics and epidemiology, among others.
- d) THSTI proposes to fill up the vacancy of Clinical Coordinator – I and Consultant (Clinical Research) to look after overall coordination of the study and review the SOPs under the project as mentioned below:

S.No.	Project Name	Project Details
01	<b>“Inter Institutional program for Maternal, Neonatal and infant Sciences – A translational approach to studying Preterm Birth”</b>	The aim is to set up a hospital-based cohort of (a) pregnant women starting from the first trimester, each of whom will be followed up until delivery to identify environmental, clinical or biological risk factors of preterm birth (b) the children born to these women.

e) Interested candidates, fulfilling the criteria as mentioned in paragraph (f) may walk-in for interview as per the schedule mentioned below:

Name of Post	Date and Time for walk-in-interview	Venue
<b>Consultant (Clinical Research)</b>	5 <sup>th</sup> May 2015 at 02:00 PM	General Hospital, Jharsa Road, Opposite Municipal Committee, Gurgaon Post Office, Near Bus Stand Gurgaon- 122001 <b>(Candidates should report at Conference Room, Ground Floor, General Hospital, Gurgaon)</b>
