

(An Autonomous Institute of the Department of Biotechnology, Govt. of India)
NCR Biotech Science Cluster, 3rd Milestone, Faridabad – Gurugram Expressway, P.O. Box No. 04, Faridabad - 121001

RECRUITMENT FOR FACULTY POSITION

Rolling Recruitment Notice No. THS/RN/04/2018

- a) Translational Health Science and Technology Institute (THSTI) is an autonomous institute of the Department of Biotechnology (DBT), Ministry of Science & Technology, Govt. of India. THSTI is a part of the interdisciplinary Biotechnology Science Cluster at Faridabad, Haryana in the National Capital Region (NCR). The institution's mission is to conduct innovative translational research to improve human health. The NCR cluster of institutions has state-of-the-art facilities and technology platform resources.
- b) THSTI has built several inter-institutional collaborations and connectivity with industry supported by well-trained teams of research and laboratory staff. This foundation has helped pursuit of thematic research programmes which can be broadly categorized as, (a) Vaccines, (b) Maternal and Child Health, (c) Diagnostics, and (d) Metabolic Disease and Nutrition, including drug discovery. Additionally, THSTI conducts training in multiple areas relevant to clinical and translational research and develops background documents for science and policy aimed at public health.
- c) To strengthen its academic and research program, THSTI is keen to consider applications from candidates with proven excellence in their field of research for faculty positions. If your track record demonstrates that you possess the requisite intellect, technical capabilities, commitment and potential to work in the area of translational research, please do apply to us.
- d) Appointments will be offered at the following levels depending on experience and the quality of scientific and related accomplishments.

Name of the post	Pay Level	Minimum post-qualification experience required	Total approx. emoluments per month (with NPA for medical doctors) (Rs.)	Total approx. emoluments per month for others (Rs.)	Age limit
Professor	13A	14 years	2,00,430/-	1,72,899/-	55 years
Associate Professor	13	7 years	1,88,430/-	1,62,579/-	55 years
Assistant Professor	12	3 years	1,21,980/-	1,05,432/-	45 years

Note 1:- Non-practising allowance (NPA) will be paid to those medical doctors who are posted against positions which have NPA sanctioned along with the emoluments.

Note 2:- In addition to the above, faculty will be eligible for benefits such as campus housing, medical reimbursement, telephone & newspaper reimbursement, new pension scheme, children education allowance and other benefits as announced by the Government of India from time to time.

- e) Investigators will be provided shared laboratory space and start-up resources. They are expected to generate extramural project-based funding for their research programmes within two years of joining the institute.
- f) Appointments will be made initially on contract for a period of 5 years or up to the age of superannuation at 60 years, whichever is earlier with an initial probation period of one year which may be extended at the discretion of the competent authority. Further continuation, if any, will depend on candidate's performance during the initial period of five years.
- g) The faculty candidates must have a MD (or equivalent) or PhD with basic degree as MBBS / BDS / BVSc or PhD in Life Sciences / Biotechnology / Biomedical Engineering/ Biotech Pharmacology or equivalent from a recognized university with original work as evidenced by patents or publications. For all positions, post- doctoral experience as mentioned at (d) above with some indication of independent scientific thinking is a prerequisite. Demonstrated record of scientific output in the form of recent peer-reviewed publications in scientific journals of high international repute and/or internationally valid and productive patents is essential.
- h) Under this recruitment notice, THSTI will fill up the vacancies of faculty on direct recruitment basis.
- i) However, THSTI will consider filling up the vacancy of Professor on a deputation basis. Candidates seeking appointment as Professor on deputation should fulfil the above qualifications and experience and hold an equivalent post on regular basis in the parent cadre or a post in the Level 13 of Pay Matrix with two years regular service in any Government (Central/State), PSU, autonomous body or any other Government organization. Such candidates should forward their application through proper channels specifically mentioning that their application needs to be considered only on deputation basis. The terms and conditions of deputation shall be governed by DoPT OM No. 6/8/2009-Estt. (Pay II) dated 17th June 2010 as amended / revised from time to time.
- j) The applications will be accepted throughout the year and will be scrutinised/shortlisted and processed for further selection in the interval of three months. The last date for receipt of applications for each quarter: March 31st, June 30th, Sept 30th, Dec 31st. Call for applications will remain open till suitable candidates are found. Interested candidates are requested to submit the online application.

The procedure for online application

1. Before proceeding for filing online applications, keep the following documents handy:
