

TRANSLATIONAL HEALTH SCIENCE AND TECHNOLOGY INSTITUTE

(An autonomous institute of the Department of Biotechnology, Govt. of India) NCR
Biotech Science Cluster,

3rd Milestone on Faridabad-Gurugram Expressway, P.O. Box No. 04, Faridabad 121001

Admission to the THSTI-JNU PhD Program for the Academic Year 2019-2020-Monsoon Session

Translational Health Science and Technology Institute (THSTI) is a part of the inter-disciplinary Biotech Science Cluster at Faridabad in the National Capital Region. THSTI is designed to be a dynamic and interactive organization with a mission to conduct innovative translational research across disciplines and professions to accelerate the development of concepts into products to improve human health. THSTI is a recognized R&D institute of the Jawaharlal Nehru University (JNU), New Delhi offering doctoral programs in biomedical science research.

Applications are invited for the THSTI-JNU PhD programs under biomedical research.

The broad domains of ongoing research are:

- Vaccines and infectious diseases
- Translational research in maternal and child health
- Drug discovery and mathematical modeling to understand disease biology
- Human microbial ecology
- Diagnostics, devices and bio-design
-

Please visit the THSTI website (www.thsti.res.in) for details of ongoing research programs and the PhD course work. The PhD program at THSTI is governed by JNU rules. For further details please visit www.jnu.ac.in.

Eligibility:

a. Age: Maximum age limit is 28 years as on July 1, 2019. Upper age limit may be relaxed up to 5 years for reserved category candidates (SC/ST/Persons with Disability (PwD) and female applicants) and 3 years for OBC – Non-creamy layer candidates.

b. Educational qualifications and fellowship requirements:

The candidate must fulfil one of the following criteria:

- Group A: must have qualified in the junior research fellowship examination of CSIR, UGC, ICMR, DBT (category I only), BINC (for bioinformatics & computer science) or NBHM which provides fellowship for the entire duration (5 years) of their PhD program.
 - Should have a Master's degree in any branch of biomedical/life sciences (including veterinary science, public health), bioinformatics, computer science or Mathematics from a recognized university with at least 55% marks or its equivalent (e.g.: grade B in the UGC 7-point scale) or a B Tech in Biotechnology.
- Group B:

Should have a MBBS or BE/B Tech (Computer Science/biotechnology/biomedical engineering) or post-graduate degree in life sciences, or Mathematics from a recognized university/institute with at least 55% marks or its equivalent along with a valid GATE qualifying score.

Candidates appearing in the final qualifying examination may also apply. However, they will be required to fulfil

the above academic/ fellowship requirements at the time of joining the PHD program on 1st of July 2019.

A relaxation in marks/grade during Master's Degree for those belonging to SC/ST/OBC (non-creamy layer)/differently-abled and any other categories will be applicable as per the UGC notification, 5th May 2016 or subsequent notification in effect of at the time of interview.

Notification link : [https://www.ugc.ac.in/pdfnews/4952604_UGC-\(M.PHIL.-PH.D-DEGREES\)-REGULATIONS,-2016.pdf](https://www.ugc.ac.in/pdfnews/4952604_UGC-(M.PHIL.-PH.D-DEGREES)-REGULATIONS,-2016.pdf)

Application procedure: Candidates fulfilling the above requirements must apply online by **10th May 2019**. Please take a print out of the application, sign and send it to the Officer (Academics) of the institute at the above address along with the application fee and self-attested copies of documents in support of eligibility so as to reach **by 13th May 2019**.

Applications received after the closing date will not be entertained on any ground including postal delay. Incomplete applications in any respect will be summarily rejected and no correspondence in this regard will be entertained.

Application fee: Non-refundable application fee of Rs. 500 for General and OBC candidates, and Rs. 250 for SC/ST/Women/differently-abled candidates should be paid by bank draft in favor of Translational Health Science and Technology Institute payable at Faridabad. You may also deposit the fees by bank transfer as per the payee account details given below and may submit the proof of remittance.

Payee name: Translational Health Science and Technology Institute
Payee bank: State Bank of India, Faridabad Main Branch, Neelam Chowk NIT, Faridabad-121001
Account no.: 32497747957
IFSC Code: SBIN0000734

Selection procedure:

Names of shortlisted candidates will be announced on our website by 17th May 2019. Shortlisted candidates will have to appear for an admission test at THSTI on the 3rd of June at 9:30 am. Applicants who clear the admission test will be interviewed on **3rd and 4th June 2019**. Final selection will be made based on the applicant's performance in the interview and the list of selected candidates will be published on the THSTI website within one working week of the interview.

Fellowship: Students from group A recommended for admission to the PhD program and holding fellowship from any of the above agencies will be required to utilize their own fellowship. Students selected from Group B will be awarded THSTI fellowships equivalent to the CSIR-UGC Fellowship amount.

No. of seats: A total of up to 20 candidates may be selected this year, if found suitable. The number of selected candidates may be less if sufficient candidates do not secure the minimum credentials required for admission.

Reservations: 27% seats for OBC (non-creamy layer), 15% of seats for SC, 7.5% of seats for ST, 3% of seats for differently-abled and 10% for EWS are reserved for candidates belonging to these categories. SC/ST/OBC/EWS candidates are required to submit certificates in respect of their claims from authorized officers as notified by the Government for the purpose from time to time. The differently-abled (with minimum 40% disability) candidates are required to submit a certificate from authorized Medical Doctors/Hospitals indicating the extent of physical disability.

Academic program: Selected students will undergo PhD course work for 2 semesters starting on 1st July 2019. Those having successfully completed the PhD course requirement will be recommended by the Academic Committee to JNU for PhD registration. For the award of the doctoral degree, the candidate will have to complete all requirements as per the JNU rules.

Fees: Admission fees, annual fees, registration fees or any other fees levied by JNU shall be payable by the student.

Hostel: Selected students will have the option of shared hostel accommodation in lieu of their HRA.
