

TRANSLATIONAL HEALTH SCIENCE AND TECHNOLOGY INSTITUTE
(An autonomous institute of the Dept. of Biotechnology, Govt. of India)
496, Udyog Vihar Phase III, Gurgaon-122016

**Walk-in interview for
Research Associate
on 29th March , 2011 at 11 AM**

The Institute invites suitably qualified and dedicated candidates to attend a walk-in interview for one position of **Research Associate** to work in a project entitled “Immune function in infancy - special focus on low birth weight and small for date infants and the role of Vitamin D deficiency” at the Pediatric Biology Centre, THSTI. The duration of the project is initially for 6 months (with a possibility of extension) on contract on monthly Fellowship of Rs. 22,000 to 24,000/- + HRA.

Job Description:

The project involves the use of cellular, biochemical and molecular approaches to evaluate immune function as well as to estimate micronutrient levels in human umbilical cord blood.

Qualifications:

Required: The candidate should have a postgraduate degree in the medicine or a PhD in biological sciences, and should have a good academic record.

Desired: Experience in one/more areas listed below is desirable:

- Flow cytometry
- Human pathology or nutritional biochemistry.

Interested candidates with relevant qualification and experience may appear for an interview at the above address on 29th March, 2011 at 11 AM. Please bring a CV along with a passport size photograph and copies of certificates with originals at the time of interview. For further details, please contact on telephone no. 0124-2876552.

GENERAL TERMS AND CONDITIONS:

1. Appointment will be made on contract for an initial period of 6 months. Further continuation, if any, will depend on candidate's performance during the initial period and the need of the institute.
2. The contractual emoluments have no other benefits payable by the institute.
3. The experience requirement specified shall be the experience acquired after obtaining the minimum educational qualifications required for the post.
4. The qualification, experience and other requirements for the post is relax able at the discretion of the Controlling Authority, in case of candidates otherwise well qualified.
5. All Educational, Professional and Technical qualifications should be from a recognized Board/University.
6. Persons working in Government or Public Sector Undertaking should produce 'No Objection Certificate' at the time of interview.
