

TRANSLATIONAL HEALTH SCIENCE AND TECHNOLOGY INSTITUTE

(An autonomous institute of the department of biotechnology, Govt. of India)
496, Udyog Vihar Phase III, Gurgaon – 122 016

Recruitment Notice No: THS/RN/10/2013

Recruitment for SRF and JRF

The Department of Biotechnology, Ministry of Science & Technology (Government of India) has established the Translational Health Science and Technology Institute (THSTI), an autonomous institution, as a part of the interdisciplinary Health Biotech Science Cluster, in the National Capital Region. The institution is designed to be a dynamic and interactive organization with a mission to conduct innovative translational research and develop research collaborations across disciplines and professions to accelerate the extension of concepts to the improvement of human health.

THSTI has set up niche centres of research in a number of interface areas relevant to translational research namely, Vaccine and Infectious Disease Research Center (VIDRC), Pediatric Biology Center (PBC) and Centre for Biodesign (CBD).

Vaccine and Infectious Disease Research Center (VIDRC) has a mission to study infectious disease and pathogens and understand host-pathogen interactions at the molecular and cellular level with an aim to generate translational knowledge for developing prophylactic and therapeutic measures against diseases prevalent in India.

Pediatric Biology Center (PBC) will conduct hypothesis driven research on the biological basis of childhood health and diseases. The generated knowledge will be incorporated in THSTI institutional networks developing diagnostic and therapeutic modalities.

Centre for Bio design (CBD) will promote strategic basic research and an effective translational route of science into development of novel technology platforms, implants, devices, diagnostics and imaging. It will support a multidisciplinary approach of combining novel technological concepts and clinical expertise.

Applications are invited for the engagement of Senior Research Fellow (SRF) and Junior Research Fellow (JRF) from suitable candidates for various projects under THSTI:

Qualifications

- SRF: Post Graduate Degree in Life Sciences or Bioinformatics with 2 years research experience.
- JRF: Post Graduate Degree in Life Sciences or Bioinformatics.

Positions & Emoluments

No.	Name of Position	Emoluments(In Rs.)
1	SRF	18,000+HRA(for 1st and 2nd year) 20,000+HRA (for 3rd year)
2	JRF	16,000+HRA(for 1st and 2nd year) 18,000+HRA(for 3rd year)

GENERAL TERMS & CONDITIONS:

1. Appointment will be made on a contract for a period of 1 year at a time with a possibility of extension on satisfactory performance review. There will be an initial probation period of 6 months that may be extended at the discretion of the competent Authority.
2. Interested candidates may apply to the Administrative Officer, Translational Health Science and Technology Institute, 496, Udyog Vihar Phase-III, Gurgaon, Haryana-122016 on a plain paper in the attached format duly enclosing the relevant certificates.
3. Last date for receipt of applications will be **15th July, 2013**.
4. All educational Professional and Technical qualification should be from a recognized Board/University.
5. The experience requirement specified shall be experience acquired after obtaining the minimum educational qualifications required for the post.
